- High definition graphics in 720p (16:9)
- Beautiful weather effects (such as rain, fog and lightning)
- Classic design, yet state-of-the-art shooter technology
- Unique upgrade weapon system with five standard weapon types
- Never before seen tactical elements such as chaining, effectiveness system, 'berserker' mode and much more
- Plenty of hidden bonus features
- More than 20 extras (with both positive and negative effects!)
- Addictive collection quests
- Over-the-top boss fights
- Features a superb soundtrack and sound effects
- Bi-lingual story mode (English/Japanese)
- Six modes of difficulty: very easy, easy, normal, hard, impossible, nightmare
- Easy to learn, yet tough to master
- Online high score ranking

- Constant frame rate (60fps)
